Sausage Roll Friday is back!

Last year's sausage roll lunch orders were such a success that we've decided to do it again.

Beef & lamb (combined), chicken, vegetarian and vegan options will be available

Order forms will go home on Monday and will need to be returned by Wednesday. Payment is by cash only.

Looking for something fun to do for the month of August and support a worthwhile cause?

Then get behind the MS Readathon - you can read any books you like and raise money for the Multiple Sclerosis Organisation at the same time. Register at their website now - <https://www.msreadathon.org.au> and check out their new interactive website. There's no time to waste as it commences on the 1st August, 2018. Happy reading.

Sentral APP

The Sentral APP is now up and running. You MUST set up your APP account from within your existing Sentral account. DO NOT download the APP first as it will not work.

- Log into Sentral as normal.
- Go to Portal Version 2.
- Go to "My Details" to set up your account. Preferably the same as your existing. NB: Password must be 8 characters long.
- Go to "My Access" and enter the same Password as you just set up.
- Download the "Sentral for Parents" APP and login using the same credentials.

Issues, please see Belinda in the office Tuesday or Friday.
Alternatively email: Belinda on slomo.belinda.j@edumail.vic.gov.au

IMAX Excursion. By Mariam T.

Yesterday we went on an excursion to IMAX and the Melbourne Museum. We had to walk to the tram stop to get on the tram to take us to IMAX. It was a short tram ride. When we got off the tram we had to walk the rest of the way. The wind was really cold. When we got to the gardens we had a little bit of a snack and a bit of a play.

We went inside to IMAX to watch a movie. The movie was called Forces of Nature. The movie was terrifying and noisy. The film showed us the houses that were destroyed by tornados, volcanos and earthquakes.

After the movie we went and saw the dinosaur bones. The bones were huge! We also saw some medium and baby bones. It was really awesome. We also looked at glow in the dark rocks, they were all different colours.

After that we went to see another short movie about volcanos and we had to wear 3D glasses. It made you feel like you were actually in a volcano. You could see the lava flowing. We could also see under the water and see the fish trying to swim away from the lava.

Then it was time to walk back to the tram to go back to school. I really enjoyed the excursion. I learnt lots of things that I didn't know about volcanos, earthquakes and tornados.

Reading/making group at MPS by Chris Raab.

A group of MPS students and parents spent last Thursday evening making, sewing, chatting, playing, eating and learning together. Kids and parents discussed how children and adults best learn about their connection to nature in our local community while creating a beautifully embroidered tapestry. Our chat was inspired by an article by Jeanne Iorio (et al.) called Place, matters of concern, and pedagogy: Making impactful connections with our planet. We focussed on the Merri Creek as a site for creative learning for our community. There was also talk of Pokémon, lots of playing, creativity, and we shared delicious soup for dinner (thanks Bron). Please join us next time (Thursday 19th August 5-7pm) for more multigenerational conversation, a shared meal and much creativity. All newcomers welcome!

Psst. email Alice (alice.c.obrien@gmail.com) or Sarita (saritagalvezd@gmail.com) to be included in the mailing list to get a copy of our next reading.

MERRI CREEK CLUB: CARING FOR OUR LOCAL CREEK

Come and join us next Wednesday 1st August (and every second Wednesday) to help clean-up Merri Creek. We invite all families to meet next Wednesday after school, walk to East Coburg Community House (Blair/Nicholson St) where we will share hot chocolate and biscuits and then walk to the creek to collect rubbish and play and share stories. FREE! Bring some gloves and grabbers if you have.

Tree Planting Day

Interschool sports Boys soccer

On Friday the 20th of July, Moreland Primary School played against Coburg West Primary School in the Coburg District boys' soccer final. The game was played at Cole Reserve in Pascoe Vale.

It was an amazing performance from us, certainly one of the best so far this season. We came out on top with a convincing 6-0 win, Jedrek Gurtman opened the scoring with a great right foot strike into the bottom corner. Jed finished the game with 2 goals, Joseph Di Pasquale with 3 and Joseph De Los Santos-Myles with 1.

We were able to effectively pass the ball all the way from the backline up to our forwards and finished our chances well. Our team spirit was high as was our sportsmanship. The opposition coach even complimented our respect for our fellow competitors as we all shook their hands as soon as the whistle was blown.

Now we have progressed to the Northern Regional stage where we will play three other schools in a round robin format which will be held on the 6th of August.

GO MORELAND!

Written by Joseph De Los Santos-Myles

Extend OSHC at Moreland Primary School

This week in Before and After School Care we participated in a wide range of activities including arts, crafts, science and games! We had a great time experimenting with milk and using our handprints to create our favourite superheroes. We loved performing for our friends in a talent show and also

making our very own puzzles! We had a great time this week and we cannot wait for next week's fun!
