Grade 3/4 Camp	Monday 23rd May— Wednesday 25th May
Trivia Night	Saturday 18th June
Parents and Friends Committee Meeting	Friday 20th May 2.30pm

TRIVIA NIGHT

Saturday 18th June

The date has been set for the MPS annual trivia night - lock Saturday June 18th in your diaries.

Join us for a fun night of trivia, games, prizes and getting to know other families and friends of MPS.

The trivia night is this years major fundraiser for MPS - but to make the night a huge success we need YOUR help.

Help is particularly needed in the following areas:

- Sponsorship / Raffles
- Games
- Set Up & Decoration
- Clean Up

Please email Nadine O' Riley at

teamoriley@hotmail.com advising how you would like to be involved.

Parents and Friends Committee

The Parents and Friends Committee meet once a month on the 3rd Friday of every month at 2.30pm at MPS to discuss events the committee will run throughout the course of the year. Events include such things as Morning Teas, Breakfasts, Stalls and Social Events.

All are welcome to come along to these meetings and to share your ideas and to get involved. Representatives from the Fundraising Committee and Buildings & Grounds Committee also attend these meetings so its a great way to be across lots of activities undertaken by the school community at MPS and provides many opportunities for you to participate.

Alternatively if you are unable to attend these meetings you can contact myself at dee.elizabeth.brown@gmail.com to find out more.

The next Parents and Friends Committee meeting is Friday 20th May 2.30pm - 3.30pm at MPS.

Regards, Dee Brown
Parents and Friends Committee

Time's Up!!!

Please return your library books immediately as every book out before the holidays is due back now. We look forward to you borrowing many books in Term 2.

Prue Satchwell - Resources

A Reminder About Hats — Please make sure that your child continues to bring their hat to school to wear while outside up until (and including) the 30th April .

Family Cooking

Cooking project is a Family Engagement initiative. All students and parents are welcome to participate. Grab a friend or two, pick a date that suits all and come to school with your children - we allow \$20 to buy ingredients; children and parents shop, prepare, cook and eat a meal together. To book, register interest or with any questions please contact Gosia: gmechryan@gmail.com , FB #Gosia Mech-Ryan or 0432 088 016.

Cookbook Working Group

We aim to have a new edition of our Moreland PS Cookbook ready by the end of this year and need your help. We are calling on parent volunteers to join the Cookbook working group - please email Gosia (gmechryan@gmail.com) if interested or would like more information. Look forward to hearing from you soon!

JAPANESE EXCHANGE STUDENT PROGRAM

Hi, I'm Laurie and what you are going to be reading today is two paragraphs on why having an exchange student from Japan is so great (this doesn't count as a paragraph).

I think having a student is really good because you learn a lot from Japan and they learn a lot from you. Ayaka was very nice and we showed her a lot of things. We showed her possums and the city.

What I liked about having a student is showing them and teaching them about Australia. She told us what was different and the same in Japan. **For example, something that's different is that in Japan they have small trees in their gardens sometimes, they are called bonsai trees.** Her granddad grows them and she showed me pictures.

I think all the exchange students had a great time in Australia and may come back sometime.

Extend OSHC at Moreland Primary School

What a fun and exciting week at OSHC we had this week. We participated in numerous activities about cooking, art & craft and science. This week we also made lots of playdough for our science topic of the term! Come check out our visual diary to see all the fun things we did this week and during the Autumn holidays.

Our Extend Superstar is... Angus Ross, for always showing initiative and helping others pack up. Great job Angus.

Next Week's Activities:

Monday 18th of April

BSC: A&C: What can we find under the sea?

ASC: Concertina Fish Puppet

Tuesday: 19th of April:

BSC: Cooking: Pikelets

ASC: Experiment: Tide Pool Science

Wednesday: 20th of April:

BSC: A&C: Rainbow Fish

ASC: Science: Fairy Dough

Thursday: 21st of April:

BSC: A&C: Rainbow Fish

ASC: Party Afternoon - Dance Party

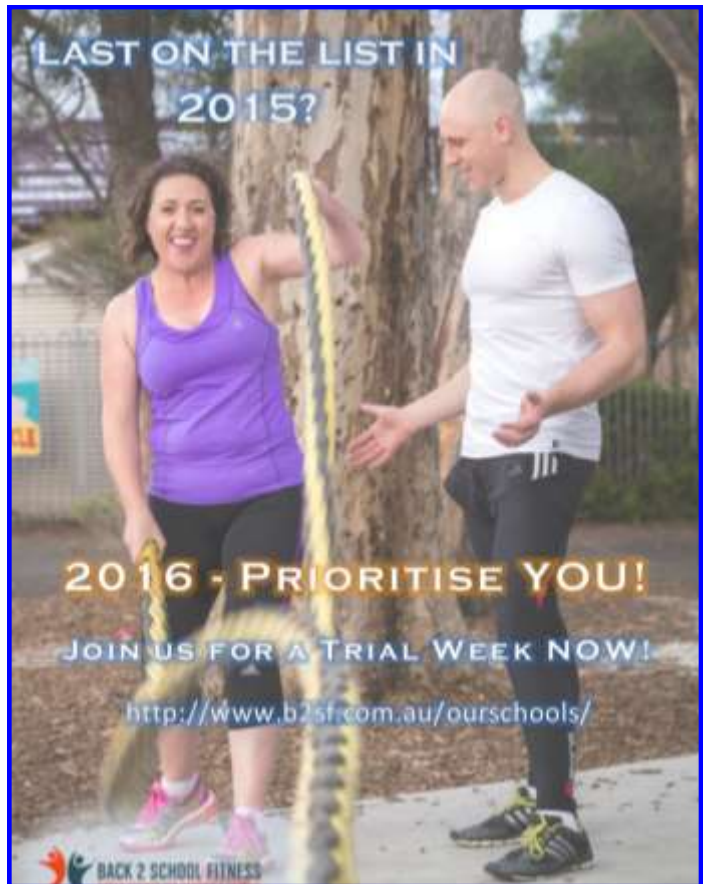

Friday: 22nd of April:

BSC: Free Choice Friday & Technology Time

ASC: Free Choice Friday

Watch this space throughout the term for regular updates from our Extend team!
