## Request for donations for trivia night

Hello Moreland Families, we are looking for special people like you to help us out with our major fundraiser for the year. Our Trivia Night Raffle is well underway and we're looking for you to get involved.

Any families who have businesses, holidays houses, donations of gift cards; iTunes cards, Coles Myers cards, wish cards.

Maybe you would like to donate some of your professional time. Any accountants, builders, painters, gardeners, personal trainers, hairdressers what is your specialty? We'd love to hear from you.

Thankyou to Elisa Peluso and Lulamae for a gift donation and tapping your own personal style

Contact Nadine 0400110416

Elisa 0417367450

## A Reminder

Please remember when you pay for anything via Bpay the office needs to know what you are paying for.

Often it is obvious but when there are multiple payments due and there are families with multiple children money can be wrongly allocated. Thank you for your understanding.

## Cookbook Working Group

We aim to have a new edition of our Moreland PS Cookbook ready by the end of this year and need your help. We are calling on parent volunteers to join the Cookbook working group - please email Gosia (gmechryan@gmail.com) if interested or would like more information. Look forward to hearing from you soon!

## Family Cooking

Cooking project is a Family Engagement initiative. All students and parents are welcome to participate. Grab a friend or two, pick a date that suits all and come to school with your children - we allow \$20 to buy ingredients; children and parents shop, prepare, cook and eat a meal together. To book, register interest or with any questions please contact Gosia: gmechryan@gmail.com , FB #Gosia Mech-Ryan or 0432 088 016.

# Mother's Day Breakfast –Helpers Required

Hi All, A reminder that the Parents and Friends Committee are seeking assistance from our **school community to help make scones for the Mother's Day breakfast that will be hosted** on Friday 6<sup>th</sup> May @ 8.15am (thanks to those who have already put their hand up).

Also please let us know if you are able help out on the morning to prepare and serve the breakfast - even if you can only spare ½ hr it will be of great assistance.

If you are able to make a batch of scones, we ask that:

You RSVP confirming you are able to make a batch of scones (this will assist with catering)

You follow the recipe provided below and;

You can drop off the scones to the Staffroom Kitchen either at 3.30pm Thursday 5<sup>th</sup> May or by 8.15am Friday 6<sup>th</sup> May

NOTE: There is no need to provide Jam or Cream.

## RECIPE:

3 cups self-sing flour (extra flour for kneading)

1 cup cream

1 cup lemonade and pinch of salt

Each batch makes about 15 scones

Bake for 15 minutes in a pre-heated oven at 220 degrees Celsius

**This recipe won't let you down**

THANK YOU!

MPS Parents and Friends Committee

# Maths News from Grade 1/2 Prue's Group

Real-life Problems! A great way for students to use their mathematical skills in a meaningful way.

## Look at what 1/2 Prue's Maths Group solved.

On Tuesday, 3<sup>rd</sup> May and Friday, 6<sup>th</sup> May we will be going on an excursion to Merri Creek. We need to go in 2 groups because there are too many students to go on one day. How many children altogether?

Numbers you need to know: -

1/2 A 23 students

1/2 C 24 students

1/2 B 25 students

1/2 E 22 students

1/2 D 24 students

Bus carries 57 passengers

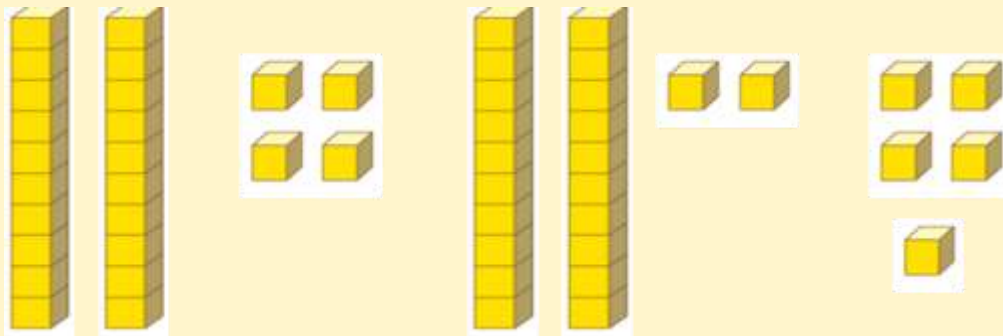

We have decided on Tuesday 1/2C and 1/2E with 5 adults will go.

How many people altogether?

How many buses will we need?

On Friday 1/2A, 1/2B and 1/2D will go with 10 adults. How many people will go on Friday? How many buses will we need?

*It was interesting to see so many of the students making mental computations to work out how many students were in the Grade 1/2 area. We talked about the different strategies people used. MAB, which is used a lot in the school was available or we drew the numbers as shown. This visual representation using MAB made this a problem all students could solve. Below is 1/2C, 1/2E and the 5 adults*

Here are some pictures of the students using number facts to 10 and 20 to help build automatic response and exploring dominoes. Using dominoes helped student to look at the way different numbers can join together to make the same number i.e. (8,4) (6,6), (9,3) all equal 12.

# W is for Watermelon

# P is for Pancake

## Extend OSHC at Moreland Primary School

What a fun and exciting week at OSHC we had this week. We participated in numerous activities about cooking and arts & craft and science. We are still working on the term topic -under the sea- and expect to learn about it while having lots of fun. Come check out our visual diary to see all the fun things we did this week and during the Autumn holidays.

**Our Extend Superstar is... Dakota McLean, for** being a good listener and participating in all our activities. Keep it up Dakota.

MORELAND CHILDREN'S SERVICES UNIT PRESENTS

## Wishing Away Worries

**Free interactive two-hour presentation for parents and carers**

Fear and anxiety are part of a normal range of emotions, but there seems to be an increasing number of parents and carers who believe their children worry too much. So what is "normal" and who is really doing all the worrying?

This session will be facilitated by Parentzone Northern, the Regional Parenting Service for the Northern Metropolitan area of Melbourne. The State Department of Education and Training (DET) and the Australian Government Department of Social Services (DSS) fund Parentzone and the programs it offers.

<b>DATE:</b>	Tuesday 24 May 2016	<b>BOOKINGS:</b>	Bookings are essential. For more information or to make a booking please contact the Children's Services Unit on 9240 2316 or email <a href="mailto:childrensaervices@moreland.vic.gov.au">childrensaervices@moreland.vic.gov.au</a> by Friday 20 May 2016.
