Pupil Of The Week

Welcome to 2016 at MPS

On behalf of the School Council at Moreland Primary School we extend a warm welcome to all new and returning families for 2016.

We hope that new families joining our school this year will soon feel part of our school community. There are many ways that you can become involved at MPS, either through the School Council or through the Parents & Friends Group, Social & Fundraising Events, Gardening & Grounds Group or in the classroom. Any time that you can spare will be greatly appreciated and provides you with the opportunity to become involved in the school **community and I'm sure you'll find it enormously rewarding.**

All families are welcome to use the Parents room anytime for a coffee and chat and throughout each term there will also be a number of organised morning teas.

I encourage you to read the newsletter, the parent's group email and TiqBiz to keep up to date with all activities at MPS.

Please contact me if you'd like any further information on how to become involved at MPS or if you have any questions, suggestions or feedback.

I hope you enjoy your time at MPS.

Yours sincerely

Dee Brown

BIRTHDAY TREATS

We are asking that parents no longer bring birthday treats to share in the class room. As the school population grows these 'treats' are becoming more frequent and this practice does not fit in with the school's health eating policy.

Pancake Tuesday

Thank you to all the families that contributed to Pancake Tuesday.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Eco.Kid Daily Tonic, Leave-in Conditioner

\$25 for 500ml

For sale at the office

We love fish, in fact we love all little critters except for... you guessed it... nasty little lice. We've come up with this very cool, kid-friendly product that smells nice to us but not nice for lice...

and it doesn't harm our fish friends (or the environment).

Daily Tonic uses certified organics to remove knots and tangles, plus botanical moisturisers to reduce fly-away hair that lice love to use for transfer.

100% of the total ingredients are from natural origin. 82.59% of the total ingredients are from Organic Farming. Natural and Organic Cosmetic certified by Ecocert Greenlife according to the Ecocert standard available at [Http://cosmetics.ecocert.com](http://cosmetics.ecocert.com)

If you have not downloaded Tiqbiz onto your phone, it will be difficult for us to communicate with you in the case of an emergency. With the threats to schools that occurred this week, we are cognizant of the need to keep you informed, should such an event occur at Moreland PS. We will use Tiqbiz for this purpose.

Extend OSHC at Moreland Primary School

This week at OSHC we once again enjoyed a wide range of activities such as art and craft, science, inquiry and cooking. During the week we continued our investigating with our science theme of slime! **We made 'Edible slime' using psyllium husk, water, food colouring and jelly crystals - it didn't taste that bad!** On Thursday we continued our Inquiry **topic of community by making 'My Family, My Home'** images. Come check out our displays in the OSHC hallway.
