Saturday 18th June

It was another extremely successful trivia night, evident with the huge participation efforts of all who came. It shows how much our school parents love our school when you see how much effort everyone went to, to make it a night of nights.

These kinds of events don't just happen and there have been an incredible amount of hours, effort and tears put into it. All worth it in the end, so a very big Thank you to all the volunteers and organizers. Well done. Especially a big Thank you to Rhianwen Seiter and Andrew Seiter who amazed us again with their organization and fabulous decorating creativity. GRADE 1/2 CERES ADVENTURE

At CERES I learnt about the cycle of water, it goes like this, Ocean, small cloud, big cloud, rain, stream, creek, river, ocean and so on and so on. Oscar K

I really enjoyed doing the ponding activity. We were trying to see what lived in the pond. We actually caught yabbies but we put them back into the pond. I also got my feet really wet. But it was fun. I forgot my lunch at home and I thought I was going to have to eat yabbies for lunch. Lol Joseph

We heard the story about Tiddalik the Frog through role-play. Xavier's mum was Tiddalik and I was the cockatoo. It was a fun way to learn about a dreamtime story through roleplay. Mary was a great Tiddalik too. Thalia

I went to Ceres. I saw amazing animals. I learnt about water. I learnt about Aboriginal Culture. I used Ochre to paint myself and I became an Emu and I danced to clapping sticks pretending that I was an Emu. CERES was interesting and lots of fun. Arrayah

I learnt about Aboriginal Culture and the boys danced pretending to be an Wedge-tailed Eagle. Nadia

I used Ochre to paint myself to look like an Emu. Sajah

The Merri Creek was exciting. There were a lot of living creatures in the pond. I learnt how important trees are and not to litter. Mikail

I loved the animals at Ceres because I'm friendly with animals. Alyssandra
