## Head Lice

There have been a number of reports of head lice at the school.

**Please be vigilant in regularly checking your child's hair** for head lice or lice eggs and to treat all infected household members.

## GREETINGS FROM OUR SISTER SCHOOL IN JAPAN

Our sister school in Japan, Sakai Elementary School, sent us a gift earlier in the year called a daruma (だるま). It is a traditional Japanese decoration and good luck charm made out of papier-mache.

Last week at assembly, the whole school made a wish or set a goal and we coloured in one eye of the daruma. It now sits in the front office as a reminder to us all of the goal that we set.

If one day all our goals are accomplished or our wishes come true, we may be able to colour in the other eye.

## A Request -Eskies for Trivia Night

The school Trivia Night is coming up on Saturday June 18 and we need some big eskies to use for holding drinks in the bar.

If you have a large esky that you are happy for us to use, please drop off to the staff room by Friday June 17.

This week we enjoyed some great planned activities and great child initiated activities. On Monday we used textured sponges to create crabs using cardboard and paper plates. On Tuesday we made an amazing Weet-Bix slice, which was extremely tasty - cooking, has definitely become a favoured activity. In the middle of the week we continued learning about static electricity that the children really liked. Nicholas Mazza
