Monday 3rd October	First Day of Term 4
Tuesday 4th October	Life Education Parent Information Session
4th October—10th October	Life Education
Friday 7th October	Grade 1 dinner & Grade2 Sleepover

Fred Hollows Award

Each year the Fred Hollows Award recognises Grade 6 students in Australia who reflect the values Fred lived by in their own lives. The Award hopes to inspire and challenge students to show care and compassion for others, and make a positive impact in their school or community. This can be in anything: the aim is to inspire and challenge kids to be generous, kind and caring. Since 2012, the Award has recognised the fantastic contributions of more than 480 ACT students and in 2015, they were presented certificates at the ACT Legislative Assembly. In 2015, the Award expanded into NSW, with 97 students receiving a Fred Hollows Humanity Award at NSW Parliament House. In 2016, 44 students were nominated for the award here in Victoria and one of our School Captains, Emilia Dowker was one of three students to receive an honourable mention. Congratulations Emilia.

Bollywood

WHOLE SCHOOL PERFORMANCE

Tonight, 6.30 for a performance at 7

'The Meeting Place'

Macpherson St

Moonee Valley Racecourse

Prep enrolments for 2017

Prep enrolments for 2017 are overdue!

If you have a child starting in Prep next year and you **haven't enrolled yet, please come and get an enrolment form** first thing next term.

No School Tomorrow

First Day of Term 4—3rd October

Violin Lessons @ Moreland P.S.

In Term 4 our Instrumental Music program will be expanding to include violin lessons, in addition to keyboard, guitar and drum lessons. Lessons start from \$12.50 a week for a 30min lesson, and no instrument purchase is necessary. Lessons are taught by experienced and qualified teachers, and are held during school hours. For more information please collect an enrolment form from the school office, or contact music.octopus@gmail.com.

Footy dress-up day

There was a carnival of colours
at Monday's
assembly this week as the kids
celebrated their favourite
football teams.

Head lice

We have had a number of cases of head lice recently.
Please use these holidays to check and treat your family.

There is no way to prevent head lice so it's important to check your child's hair regularly even when you don't think they have head lice. Using conditioner is a cheap and effective way to help find head lice in your child's hair. Conditioner doesn't kill head lice, but it stuns them for about 20 minutes, so they cannot move around or hang on to the hair. This method gives you time to comb through the hair with a lice comb and determine if your child has head lice and begin a treatment method as soon as possible if they are detected. (source: www.education.vic.gov.au)

The Department of Health website includes information for parents about head lice, including a fact sheet about treating and controlling infections and a list of frequently asked questions <https://www2.health.vic.gov.au/public-health/infectious-diseases/head-lice>

Most Likely to Succeed

Without question, education is changing, but what are some of the creative ways that schools are adapting to offer learning outcomes better matched to the needs of the 21st century? What will be the skills students will need to get a job when they graduate?

The rapidly changing needs of society is driving schools to rethink learning practices - and spaces - to give students a leg up into the 21st century.

A new documentary screening here at Moreland PS on October 12th will be your chance to find out.

Applauded by audiences at Sundance, Tribeca and the American Film Institute festivals, 'Most Likely To Succeed' investigates how schools are rethinking learning practices and spaces to suit a world that has rapidly changed in less than a generation.

Like Michael Moore's ground breaking documentary 'Supersize Me', 'Most Likely to Succeed' will prompt audiences to consider what sort of learning environments will succeed in the 21st century?

See the film's preview <https://vimeo.com/122502930>

Cookbook Sponsorship

The Family Cooking project has been a celebration of friends and families connecting with others and embracing the diversity of our community. We are compiling current recipes into a new edition Cookbook to be sold as a fundraiser with the money raised to be used to subsidise the program in future.

We are calling on our community to purchase advertising spaces in the book.

A full-page advertisement is \$100 and a half-page is \$60. We aim for an initial print run of 300 copies.

Donations big or small are always greatly appreciated. You can contact our cookbook committee member Gosia MechRyan 0432 088 016. Please provide us with your business logo and information you would like included - email gmechryan@gmail.com

Thank you for your time and interest in the program; we look forward to hearing from you. Gosia

Life Education

Parent Information Session

Tuesday 4th October 2016

9am—9.30am

All Welcome

FATHERS' DAY ACTIVITIES

Thank you to everyone that helped out on the fathers day breakfast and the fathers day stall.

PBL PRESENTATION NIGHT

Congratulations to all the staff and students who worked hard to put together the PBL presentation night.

ATHLETICS

On Wednesday September 7th 40 MPS students travelled to the Coburg athletics centre for the Coburg district athletics carnival. With the sun shining our students excelled in the running, jumping and throwing events they had been training very hard for. We had a number of impressive results with two students progressing to the next stage of competition - Noah Ryan and Buddy Tabbitt from grade 5. The school as a whole came in 6th position out of 15 schools - a massive improvement from last year. Congratulations to all and thanks to all the parents who came out to support and helped their kids with training.

SOCCER

Congratulations to the MPS Soccer team. They came runners up in the Northern Metropolitan league this term.

FAMILY COOKING

COBURG LITTLE ATHLETICS CENTRE

Come Join Little Athletics

For 5 to 15 year old boys and girls

Family -Fun-Fitness

Coburg Little Athletics is one of the foundation little athletic centres, being centre number 5. We have been providing athletic competition for children in the northern region of Melbourne for 50 years.

We are affiliated with Little Athletics Victoria and encourage athletes to participate in regional and state events.

We are an inclusive centre that welcomes all 5 to 15 year old children and we pride ourselves in leading the way over the many seasons to include multi class children in the events.

Our Athletics summer season runs from October to March, and our Cross country Winter Season runs from May to July.

We have Come and Try days during the month of September that give new athletes free access to come and try the events. These dates are Saturday 10th, 17th and 24th Sept from 10am till Noon. Our first Summer Competition day is the 8th October 2016.

We run on Saturday mornings from 8.30 am to 12pm and have a rotation of three programs that provide Athletes the ability to participate in a full range of events for their age group. We encourage all athletes aged 5 to 15 years old and we focus on personal best and improvement.

Within Coburg Little Athletics we have six clubs. The clubs are Coburg West, Westbreen, Moreland, Newlands, St Oliver's and Pascoe Vale. Athletes can choose the club they wish to join for Saturday morning competition. The clubs are a historic part of the Coburg Little Athletics Centre and provide for a fantastic social, safe and competitive environment.

For more information.

Please see our Website or Facebook page.

Extend OSHC at Moreland

SPRING HOLIDAY PROGRAM BOOKINGS ARE OPEN! Book by the deadline to take advantage of lower rates! VIC & QLD booking deadline: Friday 2 Sept

We have heaps of fun activities planned these school holidays and can't wait for you to attend!

Have fun with science experiments, participate in a bunch of craft activities with access to a plethora of art media, and get active with a variety of sports and team games. Join in on all this and more at Extend's Spring Holiday Program.

To check out what's on visit our website at extend.com.au and book via the Parent Portal.

With Term 3 coming to a close we didn't slow down! This week at OSHC we had lots of fun activities! We included quite a few cooking experiences this week as well as science activities which the children really loved! Next term Nick will be back from his teaching placement, so will be great to have him back on board. I will be the Team Leader for BSC and assisting Nick in the afternoons.

On a final note I'd like to say an extremely big thank you to all the families who have continuously supported the Extend community in one way or another. And we would also like to wish all families of the Moreland community a safe and joyous term break. See you all next term.
Jenny Steele

This week's Extend Superstar is..... Dakota McLean, for being a good listener and participating in all our activities. Keep it up Dakota.

Watch this space throughout the term for regular updates from our Extend team!

PARENT PORTAL: extend.com.au

1st week Term 4 Activities: Red25 week

Monday: BSC: Pictionary ASC: Craft: Blood transportation vans

Tuesday: BSC: Blueberry Pancakes ASC: Sensory/science: Modelling Blood

Wednesday: BSC: Group Time ASC: Science: Blood types and compatibility

Thursday: BSC: Construction games with wood block-ASC: Science: Check your pulse

Friday: BSC: Free Choice Activities & Technology Time
ASC: Free Choice Activities

 **Creative Learning Centre**
Create. Connect. Learn. Enjoy

Creative Ballet & Contemporary Dance

Teacher: Robyn Richardson

A dynamic dance space where students develop both dance technique and creativity

Pre-school children: Explore ballet skills through creative dance.

School age students: Develop strength, flexibility, alignment and musicality in classical ballet and contemporary dance.

All classes enjoy improvising and interacting with others in a supportive and friendly environment.

from preschool to teens
