PLANT DONATIONS

This is a call-out for donations of succulents (cuttings from your own gardens would be perfect!) to use in the grade 1/2 courtyard. A group of 5/6s and some parents are giving the courtyard a makeover. Donations can be left up in the courtyard area. Thanks in advance!

Cookbook Sponsorship

The Family Cooking project has been a celebration of friends and families connecting with others and embracing the diversity of our community. We are compiling current recipes into a new edition Cookbook to be sold as a fundraiser with the money raised to be used to subsidise the program in future.

We are calling on our community to purchase advertising spaces in the book.

A full-page advertisement is \$100 and a half-page is \$60. We aim for an initial print run of 300 copies.

Donations big or small are always greatly appreciated. You can contact our cookbook committee member Gosia MechRyan 0432 088 016. Please provide us with your business logo and information you would like included - email gmechryan@gmail.com

Thank you for your time and interest in the program; we look forward to hearing from you. Gosia
