

STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

Schools, please note:

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for students' background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual students or schools are identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Notice must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Information Privacy Act*. A template of the School Enrolment Privacy Notice is located at <https://www.eduweb.vic.gov.au/privacy/resources.htm>

Explanations of the Parental Occupation Group codes are included at end of this document.

**PERMISSION TO BE IN GENERAL MEDIA AND ADVERTISING
ON BEHALF OF THE SCHOOL**

Dear Parents/Caregivers,

At various times throughout the school year, we invite media representatives to our school to report on our wonderful programs and student work. At other times throughout the year we place advertising and display boards outside the school and outside venues and in keeping with latest technology our school webpage enables us to use a range of media to promote our programs and expose our student's work to an audience. We are proud of our student's achievements, and like to show our community what great things they do. We are also producing a school brochure to advertise the school to the broader community.

We have invited a range of media to our school in the past, such as 'The Age – Education Section'; 'Herald /Sun'; 'The Education Times' published by the Dept of Education. Usually it is Moreland Local community newspapers that cover our events, and sometimes Languages other Than English papers such as the Arabic newspaper. Our school website is largely produced by the students and in podcast format for you to subscribe to. It can be found at <http://www.morelandps.vic.edu.au>

The newspapers in particular will send out a reporter to speak to the Principal, or a particular staff member, to get background to a story, with a professional photographer. The school staff advises the media representatives about what would make a suitable photo.

It is an excellent opportunity for us as children, parents, and teachers to show the broader community, what a great school Moreland Primary School is.

We would like to know if you are happy to give your permission for you child to be photographed with the possibility of it appearing in the media, website, school brochure and display boards on a school related item.

Yours faithfully

John Williams
Principal

CONSENT FORM TO CONDUCT HEAD LICE INSPECTIONS

Permission to cover the duration of the student's schooling at:

Moreland Primary School

Throughout your child's schooling, the school will be arranging head lice inspections of students.

The management of head lice infection works best when all children are involved in our screening program. The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

The inspections of students will be conducted by a trained person approved by the principal and school council. Before any inspections are conducted the person conducting the inspections will explain to all students what is being done and why and it will be emphasised to students that the presence of head lice in their hair does not mean that their hair is less clean or well kept than anyone else's. It will also be pointed out that head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The person conducting the inspections will check through each student's hair to see if any lice or eggs are present.

Person's authorised by the school principal may also visually check your child's hair for the presence of head lice, when it is suspected that head lice may be present. They do not physically touch the child's head during a visual check.

In cases where head lice are found, the person inspecting the student will inform the student's teacher, the principal and the office staff to make appropriate contact with the parents/guardians/carers.

Please note that health regulations requires that where a child has head lice, that **child should not return to school until appropriate treatment has commenced**. The school may request the completion of a form, which requires parents/guardians/carers to nominate if and when the treatment has started.

Parent's/guardian's/carer's full name:

Parent's/guardian's/carer's full name:

Name of child attending the school:.....

I hereby give my consent for the above named child to participate in the school's head lice inspection program for the duration of their schooling at this school.

Signature of parent/guardian/carer: Date.....

Signature of parent/guardian/carer: Date.....

Please inform the school if guardianship/custody changes for your child, as this form will need to be re-signed to reflect these changes. Please also inform the school in writing if you no longer wish to provide consent for the school to undertake head lice inspections for your child.
