HELPERS MORNING TEA

Every year Moreland Primary School is fortunate to have many people who volunteer their time assisting in so many different ways from hearing reading, covering books, sorting books, attending excursions and so on. There are too many jobs to list but they are numerous. Each year as a way of saying thank you we hold a morning tea for all the volunteers. Usually invitations are issued and inevitably someone is forgotten. So I am extending the invitation through this newsletter and invite anyone who has helped in some way throughout the year. You may have assisted inside or outside, it is all important support for the school and we want to say a huge thank you

So please save this date:

**Wednesday 14 December,
11:00am at Moreland Primary.**

If you will be attending could you please RSVP by Monday 12 December. You can ring the school on 9386 2510 or let us know at the front office.

Thank you

A heartfelt thank you to all the parents, students, teachers and staff who supported our Cupcake Stall last Friday - cupcakes were plentiful, beautifully presented and delicious! Thank you for baking, helping on the stall and buying cupcakes. We raised in excess of \$900 - very grateful and happy; this will greatly subsidise the cookbook printing costs and in turn support the Family Cooking in future. Thank you all, Gosia and the cookbook team.

Cookbook pre-order form

Happy to announce cookbooks are ready to order. Forms were given out to all grades last Friday and this week - please return your cookbook orders by **Friday 25 November** - include payment with the form in a clearly marked envelope to your child's teacher. Cookbooks are \$20 each or 3 for \$50. Unfortunately, we cannot guarantee cookbook availability if no pre-order has been received. Spare forms available outside Mr William's office. Thank you for supporting Family Cooking!

CONGRATULATIONS!!

Recognition of the wonderful playgroup run by Gosia Mech-Ryan.

SUMMER

HOLIDAY PROGRAM BOOKINGS ARE OPEN!

Book early to take advantage of early-bird rates! Early-bird closes:

Friday 2 December for December bookings

Monday 19 December for January bookings

We have heaps of fun activities planned these school holidays and can't wait for you to attend!

Have fun with science experiments, participate in a bunch of craft activities with access to a plethora of art media, and get active with a variety of outdoor sports and team games. Join in on all this and more at Extend's Summer Holiday Program.

To check out what's on visit our website at extend.com.au and book via the Parent Portal.

This week we enjoyed a range of different activities at OSHC. In before school care we had a construction focus where the children were designing their own boats, so many of the children enjoyed this activity which was great to see! In After School Care we created paintings using recycled paper. On Thursday we made Lava Lamps, the children absolutely love it! This weeks Extend Superstar is ... Julian Buresch for showing great initiative and responsibility. Great job Julian!

Pupil Achievement Awards

GRADE 1 /2 MATHS – FUN WITH FRACTIONS.

First the children made their own bingo boards and played with these. Then they played with other students boards and checked that the fractions were labelled correctly. The students have also taken a turn at calling the fractions (naming these correctly). The activity has been fun and given the students lots of practise with recognising and naming fractions.
