## 2016 Swimming Program

There are 197 students signed up for our 2016 swimming program. This has been a great response. There are still places available if you would like to

enrol your child for swimming however you will need to do so quickly as I will be compiling the swimming groups in the next week.

Full payment is required no later than the 25 November 2016. If you have a Working With Children Check and would like to volunteer some of your time accompanying the teachers and children on the walk to and from the pool, then please speak to the team leaders and inform them of your availability.

## Farewell for Mrs Charuckyj

After many years of excellent service to the Department of Education and in particular Moreland Primary School, Mrs Christine Charuckyj has decided that it is time for her to retire from teaching.

**In recognition of Christine's years of outstanding service to Moreland Primary School, we will be holding a special assembly on Wednesday 23rd November at 10am followed by a farewell morning tea.**

I cordially invite all families to attend the special assembly and morning tea and look forward to seeing lots of families present on this day.

As part of our Asian studies in semester 2, we are celebrating 'India Day' on Monday 21st of November.

We encourage everyone to:

- Dress up in Indian costumes or colours.
- Come early to enjoy an Indian breakfast.

Enjoy special cross age activities.

Breakfast begins at 8.15am

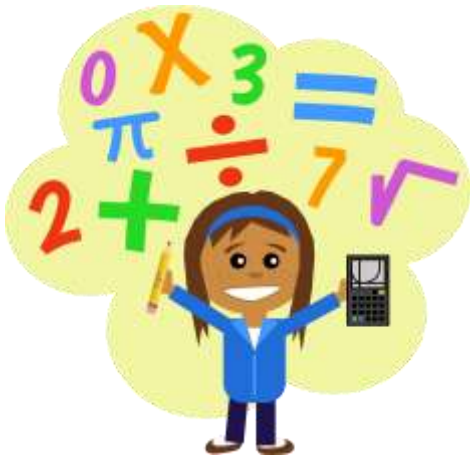

Roti \$2 & Indian rice pudding \$1

To help out, please contact Nadine 0400 110 416

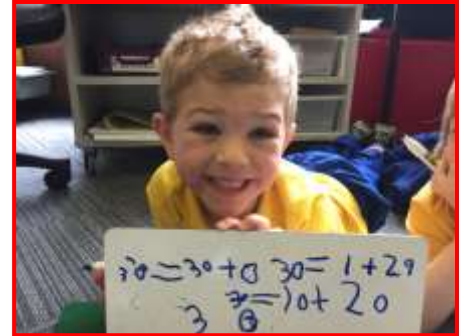

## Prep Families Welcome Morning Tea

Prep orientation begins on Friday 18th November. To welcome the new families we are holding a morning tea from 9.30 am. If you are able to attend, please bring a plate to share.

## Foundation Maths

The Magic Mathematicians have been working hard to show everything they know about numbers. Each day they choose a number of the day and write it in different ways. They have been using Tens Frames, Place Value Charts, MAB, Unifix, Addition and Subtraction facts and Number Lines to show what they know, as well as drawing places and objects that may show the number in everyday life.

## Japanese Exchange Students

We are sending out the call again for host families for three Japanese exchange students next year from February 11/12 to March 11/12, 2017. The students are at university in Tokyo, aged around 18-20 years old and are here for one month to improve their English. They will attend Moreland Primary School during the day with your child.

We are looking for six MPS families to host one of the students for two weeks. Previous host families are welcome to host a student again. If you have any other questions or would like to take up this fantastic opportunity to make a new international friend please email me at burt.benjamin.a@edumail.vic.gov.au.

## Spring Planting Day

The Gardens & Grounds subcommittee is holding a Spring planting day! It will be after school (3.30pm) on Monday 14th November and we are appealing for donations of colourful bedding plants for our new planters in the courtyard bed. One punnet per family would be plenty or share with a friend. We would like to invite parents, families and children to bring along their plants after school and plant them out together. We have shiny new watering cans to water them in! Any questions, please call Nicola 0432740171. Thank you!
