## Thought of the Week

*Our greatest glory is not in never failing, but in rising up every time we fail.*

**Ralph Waldo Emerson**

### ***Most Likely To Succeed***

Thank you to the families and staff who attended the screening of Most Likely To Succeed on 12 October. There was time for questions and discussion after the movie. It was great to hear from parents and staff about the trial program of Project Based Learning and the interest shown in offering that type of learning in the future. We recognize that there is still a lot to refine in the delivery of teaching and learning in this manner however the general consensus was that Project Based Learning should become part of Moreland Primary School as well as mainstream teaching and learning.

### ***Moreland Primary Playground***

I would like to remind all parents and carers that Moreland Primary School is a **NUDE FOOD** school and so we should not have the amount of litter that is accumulating in the playground. Please try and send food to school that is in containers rather than in wrappers and we will work together to

remind the students that if they do have rubbish it must be placed in the bins.

### ***Swimming 2016***

There has been a fantastic response so far to the swimming note that went home last week. We still have places available so please secure a spot for your child by returning the permission slip along with a deposit of \$20.00 by Friday 21<sup>st</sup> October and the full amount of \$75.00 is required by 25<sup>th</sup> November. **Please note, we must have a signed permission note which includes your phone number so that your child can attend the swimming program.**

### ***Mr Williams is on leave!***

Mr Williams is away from school until 16<sup>th</sup> November. We wish him well and hope he will be feeling better soon. While Mr Williams is away, Donna is the Acting Principal and Chris Simpson is the Acting Assistant Principal. Please contact Donna or Chris if you have any concerns.

# Extend OSHC at Moreland Primary School

## LET'S RAISE 100 BLOOD DONATIONS!

Extend is coming together as a community with a goal to raise 100 blood donations by the end of October this year. To encourage everyone to get on board, Extend Director Stevenson will complete one of three possible dares if we reach 100 blood donations! Visit [darrensdare.com](http://darrensdare.com) to watch our launch video and see further information.

This week in OSHC BSC commence their Halloween activities. On Tuesday morning they played their very own Goosebumps game, the children have become very engaged in activities where they work together to achieve a goal, which is great to see. On Tuesday afternoon ASC made baked cinnamon donuts, which turned out great. Cooking has fast become one of the favourite activities in OSHC.

This week's Extend Superstar is... Frankie Schroeder for showing great listening skills and always offering to help pack up. Great work Frankie.
