Agenda

PnF Activities Term 4

**Idea's for 2017**

Building & Grounds Committee Update

Fundraising Committee Update

This is a great way to get involved, to put your ideas  
**forward and to find out what's going on at MPS** - so  
please come along.

**If you can't attend but would like to get involved you can**

contact Dee Brown

via email: [dee.elizabeth.brown@gmail.com](mailto:dee.elizabeth.brown@gmail.com) or on  
0411277601

## Cookbook sponsorship

We are in the process of publishing  
our 2016 edition Moreland PS  
Cookbook and are calling on our  
community for sponsorship. We are  
selling advertising spaces in the  
book: a half-page ad is \$60 and a full-page one is \$100;  
book is A5 size, printed in colour on quality paper.

If you have a business and would like to advertise, or know  
somebody who does, please let Gosia know as soon as you  
can: email [gmechryan@gmail.com](mailto:gmechryan@gmail.com) We aim for an initial  
print of 300 copies and to have the book ready by  
Christmas. All proceeds from the cookbook are put back  
into the Family Cooking program at Moreland PS.

Thank you all, Gosia

## STUDENT ACHIEVEMENT AWARDS

Melbourne Cup Day, Tuesday November 1st, 2016

Public Holiday, No School

School as normal on Monday October 31st, 2016

## Grade 1 / 2 Sleepover & Dinner

## Fit4School

On Friday 28th October, B2S Fitness launched their "Fit 4 School" program and it went off like a fire-cracker! There were 18 parents and 30 kids having fun, laughing lots and getting active with family friendly fitness games. "Fit 4 School" is FREE, open to all parents and their kids, and will run every Friday morning from 8:15am - 8:45am for the rest of Term 4. Everyone is welcome! To register please go to:

<http://www.b2sf.com.au/fit-4-school/>

# Maths 1 / 2

Did you know that learning about fractions is not as hard as we thought? Learning shapes and fractions couldn't be easier with these fun and creative shape / fraction activities in the 1/ 2 area.

See what we did:

- Planned our own designs/ pictures using 2D and 3D shapes
- Made shapes and fractions with play-dough
- Made shapes using Geoboards online and on boards
- Manipulated and cut shapes to get the best straight or curved lines required
- Manipulated and cut shapes to get halves, thirds, quarters and eights.
- Used programs to explore shares and fractions.

Maybe you can do this too at home and plan interesting designs while enjoying learning Math with fun.

# Science 1/2

Thank you to the science parents for taking the time to organise interesting activities to celebrate Science day in the 1 / 2 area. As Harriet in grade 2 said 'It was good. It was **AMAZING!!!**

## Extend OSHC at Moreland Primary School

LET'S RAISE 100 BLOOD DONATIONS!

Extend is coming together as a community with a goal to raise 100 blood donations by the end of October this year. To encourage everyone to get on board, Extend Director Stevenson will complete one of three possible dares if we reach 100 blood donations! Visit [darrendare.com](http://darrendare.com) to watch our launch video and see further information.

This week was an exciting week at OSHC with lots of different Halloween activities on offer to suit everyone. To start off our week we decorated our OSHC room into a creepy cobweb filled dungeon, come and check it out. On offer this week were a range of experiences like cooking: Pumpkin Patch Dirty & Halloween Cupcakes we also had a range of science activities some of these included Inflatable ghosts, Super sleuth and string spider webs. Come in and check out our visual diary to see what else we've been up to this week in BSC and ASC.

This week's Extend Superstar is... Marlon Box for always helping to setting up the performing arts room for ASC. Thanks Marlon!

Watch this space throughout the term for regular updates from our Extend team!

PARENT PORTAL: [extend.com.au](http://extend.com.au)

Term 4, Week 5:
