GRADE 3/4 — Visit from Essendon Football Club Players

We really enjoyed having the Essendon players talk to us and share the football and leadership experiences.

Today we had the opportunity to listen to 3 elite athletes from Essendon Football Club talk about leadership, what qualities a good leader should have and what it means to be an AFL player.

The Essendon players also spoke to us about setting goals and the importance of setting achievable and specific goals to help us improve. We should make good choices and also take responsibility for our choices.

Some qualities that we as a 3/4 team think a leader should have include: having confidence, being honest and encouraging, makes good choices, is a good communicator and includes everyone in games.

Welcome back to all families and a big welcome to all the new families attending the OSHC service for the first time. This week we enjoyed some fun **icebreaker activities** On Wednesday we did "back to school day", children chatted excitedly about what they had been doing on their summer holidays. On Thursday children made pancakes in morning care and created 'About Me' posters in the afternoon which we will be displayed in the OSHC room. Jenny Steele
