School Banking Information Session.

Moreland Primary School is excited to offer the Commonwealth Bank School Banking program to all students.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2017 are:

Cyber Handball - Term 1

Colour Change Markers - Term 1

3D Chalk Set - Term 2

Tablet Case - Term 2

Smiley Emoji Keyring - Term 3

Volt Handball - Term 3

Pencil + Tech Case - Term 4

Epic Earphones - Term 4

School Banking is also a great fundraiser for our school. Our school receives \$5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of \$10 per individual deposit).

School Banking day is THURSDAY. Each week you need to complete your Dollarmite deposit book and hand to the Classroom teacher on Thursday Morning.

We will be holding a School Banking Information Session at our school:

Time: 9am

Date: Monday 27th February

Location: Hall

Please join us and find out more about the School Banking program and how your child can get involved.

If you are interested in opening a Commonwealth Bank Youthsaver account for your child you can visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account. A School Banking representative will be available at the Information Session to show you how you can do this. In order to verify yourself and **your child, you will need your driver's licence and your child's birth certificate, but if you don't have these with you** on the day, you can complete verification online at home.

New School Banking rewards now available!

Exciting new Term 1 rewards with a Future Savers theme are now available, while stocks last!

For every deposit made at school students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for exclusive School Banking reward items in recognition of their regular savings habits. There are two new items released each term so be sure to keep an eye out for them!

Thank you for supporting the School Banking program and remember, School Banking day is every <day>.
