Cooking Project

At Moreland Primary School we run a Cooking Project as part of Family Engagement. Children of all grades are encouraged to participate. Cooking is in small groups of 3-4 students and their parents during class time (usually morning); children and parents shop for, prepare and enjoy a meal of their choice. It's a great opportunity to meet new parents and students, spend time together and have fun. The school allows \$20 per group to buy ingredients. If interested, or for more information, please email Gosia MechRyan at gosiam@morelandps.vic.edu.au

Look forward to hearing from you!

Cookbook 2016

Thank you to all the parents who have collected their cookbooks. However, there are still some that have not been collected. If you ordered your cookbook last year, please collect it from the office as soon as possible, as we would like to sell the remaining cookbooks as part of fundraising. Thank you for supporting the Family Cooking Project!

This week in OSHC we had a lot of fun with some great activities. On Monday the children really enjoyed making & cooking pancakes. Tuesday we had fun in BSC making Rainbow clouds and a science activity in ASC. Wednesday the children had a STEM activity making a paper plate marble maze, Thursday in BSC we had scrap paper creations and in ASC we made Anzac biscuits. We have decorated the OSHC room **with all the children's art work; the children love to show their parents what they have created in their time with us.** It is also lovely to see parents looking at the electronic picture frame to see all the wonderful photos of the children having fun in the program.
