Grade 1/2 area visit and writing workshop with author Krista Bell

Monday, 29th May
(10:00 a.m. - 1:00 p.m.)

We are very excited about having Krista Bell visiting the 1/2 area. The students will be studying her picture story books prior to her visit. She has written two stories that we are particularly keen to share with the students. The first one being Warriors, which has two stories written parallel. The first story is of a young boy visiting China with his father and the second thread contains factual information of the Terracotta Warriors and how they were discovered by farmers over 2,000 years later in 1974 by 2 farmers. The other is a delightful picture story book titled, Peeking Ducks, which is set in China.

As China is our focus for Asian Studies this semester and narrative writing in our Literacy sessions; we thought this would be an excellent experience for the students. Krista will present information about her visits to China and talk about her writing. She will then conduct a workshop for the students.

Parents' & Children's Working Bee

The Buildings & Grounds committee is running a small working bee after school next Thursday 18th May. We will plant some flowers and veggie seedlings in the concrete pipe pots and tidy up the fenced water pond garden area. Any parents & children interested in helping out are welcome. Please contact Jeff Martin (0430 540 836) or just stay around on the day if you would like to be involved.

An extensive (parents only) working bee is planned for Saturday 29th July. We will need plenty of willing parents to help with the many things we have planned. Watch out for further updates closer to the date.
