Could you please support the "Moreland Night Riders" by baking some cupcakes, cakes, muffins or cookies and drop them off to a table near the first aid room before school on Friday 22nd September.

Please provide a list of ingredients so that we can support those students who have allergies. We will look to sell the cakes for \$2 at lunch (11.45am - 1230pm).

Student Wellbeing

In light of the present debate on marriage equality, I want to make it clear that Moreland Primary School is committed to maintaining a safe and inclusive space for students, staff and families, regardless of their race, culture, religion, gender or relationship.

We are aware that some aspects of the public debate on marriage equality may impact on the wellbeing of some of our students and their families and accordingly I feel it is important to state clearly and publicly, that our school community values everyone, regardless of their sexuality or gender identity.

Should students need support, they can contact our Student Wellbeing Officer, Donna Schilov or utilize the Kids Helpline on 1800 55 1800

Working Bee

A big thanks to all the talented kids and parents who came along to help plant out the stepping stone bed outside the prep room. It looks great. If you missed out there will be plenty of opportunities to help look after these plants as they get established. If you see us out there with a hose, feel free to join in!
