There are large tubs placed in each year level home room for your donations.

Each year level has their own Continent theme.

Preps: Europe

Grade 1/2 : Asia

Grade 3/4 : Africa & Australia

Grade 5/6: South America & North America

We are asking for non-perishable items sweet & savoury, toys, wines, crafts, gifts vouchers, jewellery, teas, coffee, chocolate, soaps, hand creams, cookbooks the list is endless!

If you have trouble with ideas on what to donate we have a suggestions sheet placed at the front of the baskets for your convenience.

Sharing the cost with another families for some of the more expensive items is a great way to save & contribute to the fete!

Our Hampers raised over \$1700 dollars at the 2015 fete, it would be wonderful if we could exceed this amount!

To the Moreland Community,

In the January summer holidays I am donating three weeks of my time to go to Nepal along with 25 other teachers to train and support Nepalese teachers who have limited resources at their schools. I am doing this with an organisation called Limited Resource Teacher Training (LRTT).

Why? Nepal's himalayan terrain makes much of the country rural making teacher development difficult. The 2015 earthquake further set back the education system and today 90% of students aren't able to pass English and Maths. In this setting teacher training is both challenging and crucial.

Since 2013 LRTT have worked with local educational organisations in and around the Kathmandu valley. By facilitating training through a combination of workshops, coaching and reflection they work to support teachers in Kathmandu and surrounding rural valleys.

The cost of volunteering for the program is \$2054 which will cover accommodation, meals and transport in Nepal. I am paying for my own flights to get there and back, however I would really appreciate any donations towards the program cost, as little or as much as you are able to give will be greatly appreciated. Thanks in advance
