School Times

Please note that the schoolyard is only supervised from 8.45 till 3.45 each day. Students arriving early for school need to book into our Before School Care program. After school students are to go home immediately unless they have a parent/guardian with them. Parents/guardians are reminded that they need to pickup children at 3.30. Several students remain in the yard to play and they may only do this if they are accompanied by an adult.

2018 Japanese exchange students. Host families needed

In March each year we accommodate 2 or 3 Japanese university students who come to Melbourne to improve their English. They work with the children in our school and are a great help in develop our students' Japanese language skills and cultural awareness. These students stay with a host family for two weeks and then a different family the last two weeks. We still need more families to host our students for next year. If you are able to do this or need more information please talk to Ben Burt, our Japanese/Science teacher. Please note that in 2018 all of our students will attend Science and Art which will both be taught in Japanese.

CALLING ALL LIBRARY BOOKS!!

All books must be returned to the school by Wednesday, 6th December, 2017.

Check under your bed, on your book shelf and anywhere else you can think of, to locate any missing books and get them back fast!!!

The exciting news is that we will be updating our borrowing system and once we have done that you will be able to log in and see what titles you have out from home.

Everybody please help by returning so that we can have a smooth transition of data.

Thanks
