

MERRI-BEK PRIMARY SCHOOL – NO 2837

Dear Parent/Guardian,

Parent Payments 2023 – Grade 6

Merri-bek Primary School is looking forward to another great year of teaching and learning and would like to advise you of *Merri-bek Primary School's* voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, we rely on the ongoing support of our families to ensure our school can offer the best possible education and support for our students.

As we did for this year, we will bulk purchase all stationery. This reduces waste and saves you money. This means you do not have to purchase any stationary for your child as the cost is included in the 'consumables' amount listed below.

Merri-bek Primary is a community which values education. Many of our parents and guardians are highly educated and hold senior work roles or own businesses. These education levels and jobs mean Merri-bek Primary is considered to be in the highest socio-economic band for Victoria (the same as schools in Toorak or South Yarra) and the department provides the minimum amount of funding to support low-income families to take part equitably. For this reason, we rely on parent contributions to ensure we can direct as much funding as possible to quality education and programs for our children.

The good news is that because we all value education, the vast majority of families make their contributions and many also donate to our building fund too. These contributions are such an important way for you to support your child's education and our whole school. We thank you so much for everything you do.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Maria Giordano
Principal

School Council President
