...BUT THERE'S MORE! Help your After School Care service win a mystery incursion! Be sure to come along to After School Care to enter. See you there!

If any families have recyclable objects such as plastic bottles, soda bottles, containers or tins, we are looking for donations of these to help us implement recycling into our program. These can be left on the bench in the OSHC room.

This week at OSHC our theme of Sustainability was in full swing. On Tuesday morning we used a large box to create our own marble run using pieces of cardboard and cups. - It looks great! Wednesday afternoon we had a go at planting seeds without dirty, we tried pea, flower and bean seeds! Lets see how they go. On Thursday afternoon the children designed their own CD using bottle caps as decoration. We hope to display these all over our OSHC room!
